

# EDUCATIONAL RESOURCES

from Kimball Library

## Reading Resources/Educational Content

**Common Lit:** hosts trusted, on-level reading material written with verifiable sources. <https://www.commonlit.org/en/library>

**Common Sense Media** is an excellent source to cross check recommended age range for media, from movies to books to music.  
<https://www.commonsensemedia.org/>

**National Geographic** is known for reliable news articles, scientific reports, and stunning photographs.  
<https://www.nationalgeographic.com/>

**Ebsco** is a research subscription paid for by Kimball Library. Create an account using your library card, and search through thousands of articles for students of all ages. <http://search.ebscohost.com>

**ListenWise** hosts educational non-fiction podcasts for the auditory learner. <https://listenwise.com/>

**Google Art and Culture** is a landing page for collected high-res art pieces as well as perspectives and ideas for analyzing and creating art.  
<https://artsandculture.google.com/>

**Smithsonian Learning Lab** has excellent resources for at-home and hands-on learning activities, ideas, and challenges.  
<https://learninglab.si.edu/>

## Classroom Supplementals

**Khan Academy** is an award winning video series tutoring a wide array of topics.  
<https://www.khanacademy.org/>

**CrashCourse** is a fun, fast paced video series from the mind of authors John and Hank Green, using animation and clever visuals to explain complicated concepts.
